## Public Notice

Subject: **Meeting of the Emergency Response Training Advisory Committee (ERTAC)  
December 1, 2010**

Notice to the Public:

Pursuant to California Government Code sections 8588.10 et seq., the mission of the ERTAC is to recommend the criteria for terrorism awareness curriculum content to meet the training needs of the state emergency response personnel and volunteers. In addition, the committee shall identify any additional training that would be useful and appropriate, but may not be generally available in California. The ERTAC shall also make recommendations pertaining to any need for training oversight to expedite their curriculum approval processes.

The next meeting of the ERTAC is scheduled as follows:

Wednesday, December 1, 2010
